

SPRING

## What's Happening in Conashaugh Lakes

A newsletter featuring committee updates, community events and things happening in and around the area that our residents may have an interest in.

### A message from the Board of Directors

Community is much more than belonging to something. It's about doing something together that makes belonging matter. As Henry Ford said, "Coming together is a beginning, keeping together is progress, working together is success." We are a successful community because of our members.

Extending a warm welcome to our new members from Indiana; Debbie, Kevin and Kelly Douglas! We are glad you are here!

**The CLCA office will be closed Friday, April 7th and Saturday, April 8th for the holiday weekend.**

### Keep in touch with email updates!

If anyone has not signed up for SendInBlue to receive email communications from the office, you can take the opportunity now to provide your email information to the office if you would like to receive Community Communications and alerts/notices from the office. Please send an email with '**SENDINBLUE REQUEST**' in the subject line to [administrator@conashaughlakes.com](mailto:administrator@conashaughlakes.com).

## A message from Strategic Planning and Resources

The Strategic Planning and Resources Committee and Communications Committee's Membership Questionnaire is now available at the following link:

<https://static1.squarespace.com/static/5a88a984f14aa1408b272f09/t/63fd06e072d9c105afe58830/1677526752520/Membership+Questionnaire.pdf>

The purpose of the questionnaire is to obtain members feedback and input for the Strategic Planning and Resources Committee's development of our Community Strategic Plan as well as information for the Communications Committee. If you have not had a chance to complete the questionnaire, please download a copy and email your response by March 17, 2023, to [clcastrategicplan@yahoo.com](mailto:clcastrategicplan@yahoo.com). You can just send your email response by noting each question number and adding your response. Example:

- Question #1 - your response
- Question #2 - your response
- Question #3 - your response
- Question #4 - your response
- Question #5 - your response
- Question #6 - your response

If you prefer not to email your response, you can leave a copy of the completed questionnaire at the office. We would like to achieve an overall response rate of 85% of the membership, 100% would be even better. Please take the time to complete the questionnaire. Your responses are important to us as we move forward as a Community.

## Security Information      Direct Number 570-832-5660

The bylaws of our community states that the Security and Enforcement Committee is responsible for developing ways to provide security to our community as well as making sure that rules and regulations are enforced. The most common complaint that we see and hear from our residents is that drivers in our community are not obeying our traffic laws; particularly in regards to stop signs and speed limits. Our traffic laws are just like those of other communities all around us. To help deter these traffic issues our safety officers not only use radar as stated by the sign at our entrance, but also position themselves near the most violated stop signs. There are no other objectives for these actions other than to reinforce to our residents the importance of obeying standard traffic laws. In fact, for the last few month most of the citations have been warnings. Again our only objective is to prevent a tragedy on our roads as we have many of

our residents walking in our community and most of our children walking home from school. It should also be noted that these traffic stops are only a small part of our officers daily tours. They also do requested house checks, wellness checks, directing traffic in the parking lot when school buses are there, responding to resident complaints and issues along with doing their regular driving routes. All this is done with part time security. Remember for security issues after hours or medical issues the first call should always be 911. Please drive safely!

## FYI

- The Recreation Committee is in the beginning stages of planning our annual picnic for July 15th. We are looking for volunteers to help us with this event. If you are interested in helping with prep work, set up, clean up or break down, cooking or monitoring the kids games please email us at [clcarecreation@gmail.com](mailto:clcarecreation@gmail.com). **We can not have the picnic without enough volunteers!**
- Update on the Trash Compactor Relocation Project: The Board of Directors will be meeting with the Engineer this month for the final review of the Land Development Plan to be submitted to the Dingman Township Planning Commission. After the Board of Directors approves the final Land Development Plan a notice of the date scheduled with the Dingman Township Planning Commission for their review will be posted on the Conashaugh Lakes Community Association, Inc. Facebook page <https://www.facebook.com/conashaughlakes> and an email notice will be distributed via SendInBlue.
- If you have any questions, please bring them to the next Membership Meeting on March 11, 2023, or you can email questions to [clcboard@conashaughlakes.com](mailto:clcboard@conashaughlakes.com) to be addressed at the March Membership Meeting.
- You can always visit our website at [conashaughlakes.com](http://conashaughlakes.com) and click on events to see our calendar with what is going on in our community.
