Special Note About CLCA Yearly Member Voting Package

A Moment of Silence

This year the Recreation Committee placed a wreath at the base of the flag pole at 10:30 am on Sept. 11th and held a moment of silence in loving memory of the victims and in loving honor of the heroes from this tragedy. We remember the civilians, we remember the rescue and recovery workers and we remember their families who live on without them. Thank you to the members who joined us. We will continue to have this event every year.

Due to a “Word, Spelling / Grammar Check” mistake just before the office printed this document, the original third paragraph highlight was changed to “we must maintain,” from “we have to maintain.” It also took out the semicolon after that sentence as well. The occurrence was not realized before it was mailed. So, this posting / copy is acting as its retraction / rebuttal. The correct sentence section should read: ... “are the best tools we have to maintain a peaceful community; ...”

2023 - 2024 Board Candidate Bios

Laura Budveit

Hello, I’m Laura... I became a member of CLCA in 2013. I have been a member of The Rules, Regulations, & By-Laws Committee since 2019, became Committee Secretary from 2020 – 2021, and have been Chair of the Committee from 2021-present. In the Fall of 2022, I was also appointed as the Rules, Regulations, & By-Laws Liaison to the CLCA Board, and was appointed a seat on the Board for the 2023 year. I am currently running for my first 3 year term.

I have 25+ years Administrative Experience. I have experience working in public services, and my corporate experience focused on Human Resource Management, Training & Development, and Special Projects Management. My career has given me lots of experience writing copy through my public service and corporate periods, to my freelance Virtual Assistant Company. I am currently an Executive Administrator for 2 small trucking companies based in Lake Ariel PA, and continue to accept new freelance clients sporadically when the situation arises... I also have an extensive background in ornamental horticulture.

Staying calm & steadfast during conflict management, and properly following procedures put in place, are the best tools we have to maintain a peaceful community; along with some street smarts, empathy towards others, and good old common sense. I hope that the community will remain fiscally sound, as well as the safe, clean, fun, friendly, beautiful place to live, as it is today; for all ages. I will do my best to make sure it remains so; without too many restrictions and unnecessary expenses.
