

# Conashaugh News

## Goodbye July, Hello August, then comes Angels!?

The Summer is certainly flying by! We hope it has been great for all of you, and that this monthly update finds you well and enjoying the sunshine. We have had a busy, fun-filled summer here in Conashaugh Lakes. We had our annual picnic that we hope you enjoyed, and the kids pool party was a great time for all who attended. We also had our book club meetings as well as our Murder Mystery Wine nights that were a hit. There is still plenty of Summer to enjoy, but some of the committees are looking ahead to the holidays. This year we will be hosting an Angel Tree to offer help to those in the community who may be struggling to give their family the holiday magic that keeps the innocent wonder of the season glowing. Please keep an eye out for additional information and the link in our next newsletter to sign your family up to be a recipient. All information will be kept confidential.

## Thanks To You, Our Community Picnic Was A Success!

This years community picnic is in the books! Thank you to all of the members and guests who attended. A huge **THANK YOU** to the Recreation Committee, Maintenance Department, our Administration and office staff, Board members, and volunteers who made it possible. The weather was great, the food was plentiful and the company was wonderful!

Each year we strive to provide a picnic that our community wants. In order to do that, we want your feedback! If you attended the picnic, let us know what you enjoyed or didn't, and what you would like to see added or changed for next year. If you didn't attend, what do we have to do to get you there next year? Please email your comments and suggestion to [clcarecreation@gmail.com](mailto:clcarecreation@gmail.com).

One of the biggest obstacles to the Recreation Committee is finding volunteers to help with this and all of our other events. Actually, it is an obstacle for all of our committees. We are an association that is volunteer-run. Each year there are numerous events hosted by our various committees. Every committee is always looking for new members. If you are interested in being a part of any of our committees, sit in on a meeting and see if it is for you. All are welcome!
